### \* **SUMMER LESSON SCHEDULE** \*

**We will be sending out our 2019 Summer Lesson Schedule within the next 7-10 days. This schedule begins on Tuesday, May 28.**

If you have not yet turned in your form via email/hard copy or given us your responses over the phone, we need this information ASAP in order to complete our summer schedule. Even if you will not be here very much this summer, please still sign up for lessons even if your child can only come to one or two a month. It is still incredibly beneficial for them to keep up their skills! Once the schedule is sent out, if you are not on it, please call and we will do our best to find a spot for you!

**Do you need to join IEA to letter in High School?  
There's another alternative. You can be part of the**

**United States Equestrian Federation  
Athletic Lettering Program  
and you can start in middle school too!**

**Available for Students in Grades 5-12**

This is a great alternative to students in our program who may not want to do IEA but do want to be recognized as an Equestrian athlete. We can help you do this. The US Equestrian Federation is writing a new chapter in the recognition of student athletes – one that honors Equestrians. Being a part of this program will be a great opportunity to demonstrate your commitment and can be included with future college applications or future resumes. The US Equestrian Athlete Lettering Program is open to equestrian athletes in all breeds or disciplines, English and Western, who are currently members of US Equestrian or become US Equestrian members. Students participating in the program need to record 100 hours of riding or training OR three competitions of any level or type to complete the requirements for that year.

**The program runs from June 1-May 31 of each year and will honor those who document their training or competition involvement by awarding emblems & pins.**

**The Equestrian Reserve** riding lesson program and camps or show team participation in at least three RHSC shows in a year can easily satisfy the requirements. Talk to Donna or Hannah if you want to learn more, and we can send you additional information.
